

**2018 ELCA Youth  
Gathering  
Scholarship Request Form  
Luther Heights Bible Camp**

In 2018, many of the high school aged campers that have been past campers are on their way to Houston for the ELCA Youth Gathering! We want to celebrate your involvement and also welcome you to continue that involvement through a program at camp. We understand that not all families are able to fund both a trip to Houston and a week at camp. In an effort to reach out to all, we are providing a \$100 discount on our Tier 1 price to all those High School Campers who attend both the Youth Gathering AND Luther Heights this summer.

Luther Heights Bible Camp believes that every child who wants to go to camp should be able to attend. If your child or a child you know needs financial help, other camperships are available. Through the generosity of donors, Luther Heights is able to offer these Scholarships to youth and families who are in financial need. Please visit our website or conact our office for more information. We WILL see you at camp!

Our hope is that we achieve a partnership between the family, their home congregation and camp. We encourage you to speak to your Pastor about funds that might be available through your congregation. If additional scholarship assistance is needed, please fill out the form below and email to: [info@lutherheights.org](mailto:info@lutherheights.org)
