CAMPERSHIP REQUEST

Luther Heights Bible Camp believes every child who wants to go to camp should be able to attend. If your child or a child you know needs financial help, camperships are available. Through the generosity of donors, Luther Heights offers Camperships (scholarships) to youth and families. Our hope is to achieve a partnership between the family, your home congregation and camp. We encourage you to speak to your Pastor about funds that might be available through your congregation. Please don't let financial need be a deterrent to attending camp!

If additional scholarship assistance is needed, please fill out the form below and email to: info@lutherheights.org or mail to:
