

Regarding Accommodations & Accessibility

LHBC has several cabins with ADA accessible bathrooms and the Sawtooth Lodge is ADA accessible. However, the paths around camp are dirt and on uneven ground. LHBC strives to be accessible for all people in all areas, and we are happy to talk to you about your needs.

Upon arrival, please park your vehicle in the main, front lot. Camp staff will be available to help transport you and your belongings to your cabin or the lodge. You will not be able to drive your car into the camp.

Efforts will be made by the host church in assigning cabins. You may request cabin mates upon registering. However, if a group must be split up, please see it as a wonderful opportunity to get to know other sisters in Christ!

Directions can be found on our website under 'Helpful Info.' We recommend carpooling with members of your church or community.

If you need help with registration, please contact Brooke in our office at (208) 886-7657.

About Luther Heights Bible Camp

Luther Heights Bible Camp is a Lutheran outdoor ministry based in central Idaho in the beautiful Sawtooth Mountains. We operate an ACA-Accredited site for youth programming and adult retreats. The cabins are large, one room buildings with wood stoves and twin-sized mattresses. Some cabins include personal bathrooms and showers. Our lodges are a welcoming gathering space and our kitchen has a full-time staff to provide delicious home-cooked meals and snacks. Special dietary needs can be accommodated upon request. Please email Kelly Preboski at director@lutherheights.org at least two weeks ahead of time with food requests or confirm with Brooke during registration.
