

Mother/Daughter Canoe Camp (Kids 7th-12th Grades and their Mothers)

There is nothing like having precious mother and daughter time together, especially canoeing and camping out underneath the stars!

This is an “off-site” program, where the majority of your experience will be away from the site of Luther Heights Bible Camp.

Week Schedule

Sunday:

Registration is between 2:00pm–5:00pm. As you meet your counselors and the rest of your trip mates, you will get your gear ready for your trip. Luther Heights supplies packs, sleeping pads, canoes, and other essentials for camping out and canoeing. You are welcome to bring some of your own equipment, if you like. You will spend the first night at Luther Heights, preparing for your week on Red Fish Lake. Worship and devotions round out your evening.

Monday–Wednesday:

You will campout on the shores of Red Fish Lake and enjoy time out on the lake in canoes. You will also have the opportunity to swim, fish, and hike. Get ready for great Bible study and worship experiences in this beautiful and unique setting!

Wednesday:

The group will be picked up and brought back to Luther Heights. For the remainder of the morning will then be devoted to unpacking, cleaning up, and having lunch before heading home.
