

Senior High Adventure Camp (9th-12th Grades)

Youth entering 9th through 12th grades are offered programs to encounter Christ in intentional, faithful experiences. Our staff is ready to walk with Senior High youth as they venture down their Christian faith walk, no matter where they are in their journey. Enthusiastic youth return year after year and continue to welcome those who are new. It's a great family of friends that walk together and grow together in their faith. Our Senior High programs include a traditional week at camp, backpacking and service event options for groups.

A typical Senior High Camp, off/on-site schedule:

Senior High Adventure week is packed with exciting, safe, and adventurous ways to enjoy Luther Heights beautiful location. Activities will include an all-day horseback ride, a rafting trip down the Salmon River, a day of mountain biking along scenic trails in the Sawtooth and White Cloud Mountain Ranges, a full day of canoeing on Redfish Lake, and an overnight and time on the challenge course. This is an "off-site" program, where the majority of your child's experience will be away from the site of Luther Heights Bible Camp.

Last Day:

Campers will be served brunch on their last day followed by time to pack and prepare for the journey home. There will be time to watch a video of the week's fun and say good-bye to their friends as well. Parents are encouraged to arrive at camp early and join their campers for a Fellowship activity at 11am held in the Chapel which will allow campers to leave before 12 noon.
