

Senior High Camp (9th-12th Grades)

Youth entering 9th through 12th grades are offered programs to encounter Christ in intentional, faithful experiences. Our staff is ready to walk with Senior High youth as they venture down their Christian faith walk, no matter where they are in their journey. Enthusiastic youth return year after year and continue to welcome those who are new. It's a great family of friends that walk together and grow together in their faith. Our Senior High programs include a traditional week at camp, backpacking and service event options for groups.

A typical Senior High Camp, on-site schedule:

Sunday:

Registration is between 2:00pm–5:00pm.

(Parents are invited to stay for dinner at 6:00pm. Just let us know at registration!)

Campers meet their counselor, get settled into the cabin, and play some get-to-know-you games while waiting for the rest of the campers to arrive. After dinner that evening, campers sing songs, tour camp, and are heartily welcomed to camp with an orientation and introductions to staff members.

Each evening campers will have time to enjoy canteen (the camp store) where they can enjoy snacks, priced at \$0.75 per item. After canteen, at the close of the day, everyone will gather around the campfire for evening worship. Following worship campers and counselors head back to their cabins to reflect on their day and settle into the night with devotion.

Monday, Tuesday, Wednesday:

Breakfast begins each morning at 8:00 a.m. followed by singing on the back deck of the main lodge. Worship follows breakfast and is held in the outdoor chapel, the meadow, or one of the many other beautiful spots around camp. Bible study follows worship and involves reading the Bible along with interactive activities, games and crafts to bring active learning into the experience.

An overnight campout, typically planned for Tuesday night, makes this week of camp great! Cabin groups get to help decide where they will get to campout for their overnight. Some groups want to hike a ways while others do not want to go too far from Luther Heights. Either way, there is something for everyone! Groups cook their dinner and their next morning's breakfast out on the trails. This is an experience unlike any other that deepens bonds within cabin groups and with others.

Feeling nervous about the overnight? Do not worry. This is not an extreme hike and you are surrounded and supported by your cabin group and counselor in all of your endeavors. You will find it to be the "same" Luther Heights with an extra added adventure. Challenge yourself and your faith!

Campers have the opportunity to sign up for a full-day horseback ride with [Mystic Saddle Ranch](#) (additional \$99) or full-day rafting trip with [Sawtooth Adventure Company](#) (additional \$68).

The evenings of each day involves playing an all-camp game, snacks at canteen, and worship around the campfire.

Thursday:

Also known as "Beach Day" — Thursday is another action-packed day at camp. After breakfast and morning worship, cabin groups will dive into Bible study and then hit the trail to the beach at Alturas Lake for lunch and fun. The evening continues with a talent show and concludes with a special worship service followed by a game/dance night.

Friday:

Campers will be served brunch on their last day followed by time to pack and prepare for the journey home. There will be time to watch a video of the week's fun and say good-bye to their friends as well. Parents are encouraged to arrive at camp early and join their campers for a Fellowship activity at 11am held in the Chapel which will allow campers to leave before 12 noon.
